Greene County Public Schools Student Transportation Release Agreement

Greene County Public Schools Policy prohibits primary and elementary students 5th grade and younger from being released from the school bus/car unless a parent/guardian is present to meet the child. The only exceptions to this policy are listed as follows.

Preschool age students must have a parent/guardian present at designated bus stops prior to the students release. No exceptions.

1. The student has a family member that is in 6th grade or higher that can meet or escort the student home.
2. A parent or guardian has signed and dated the request for release form below that requests the driver to release their child without a parent/guardian meeting the bus/car.
